Mobile: 0092-300-8329716

Mobile: 0092-314-5927566

## Objective:

To utilize my current field experience and deliver the assigned task at my best, want to be a part of a team where I can get more learning and polishing my skills in the field of civil so that I can make myself a reputed Senior Surveyor.

## Carrier Summary:

I have an experience of about 10 years, mostly dealing with infrastructure, roads, and building projects. My carrier projects include massive concrete decks for buildings, bridges, flyovers, roads, and earth works.

## Key Skills:

My key skills are topographic survey of a project before design and giving survey data with contours in soft to a designer. Other works I handled in my career are drawing, shop drawings, layouts, and leveling according to drawing. Site execution, computer software skills are listed below:

Computer Software Skills	
Excellent	Working Knowledge
<ul style="list-style-type: none"><li>✓ Auto CAD</li><li>✓ CIVIL 3D</li><li>✓ MS Office</li></ul>	<ul style="list-style-type: none"><li>✓ Topographic Survey &amp; Contouring</li><li>✓ Draw Contours as per site Data</li><li>✓ All Survey Works of Project</li><li>✓ Work as per Master Plan</li></ul>
