

CV (Curriculum Vitae)

Muhammad Haroon Zaib
Cell # 0313-9150608

CAREER OBJECTIVE:

A fully qualified mechanical technician; I have been employed for a number of companies to provide a professional level of work either in-house or for clients. I am experienced with all aspects of mechanical works. Familiar with installing and maintaining industrial plant equipment, I am a meticulous worker with a passion for problem solving and for making things work better. I am now seeking a new role with more responsibilities in order to make progress with my career.
